

HECK AVENUE SUPPORTIVE HOUSING

Application for Affordable Housing

This packet contains specific information about the eligibility requirements and application process for **Heck Avenue Apartments**, a brand new, income-restricted community currently under construction at 1130 Heck Avenue, Neptune, NJ 07753.

You are invited to read this information and submit the following application if you think you meet the eligibility requirements. This application is the first step in the application process and does not guarantee you an apartment.

Applications must be received by 11/09/2026 for inclusion in the lottery. A random selection process will be utilized to determine the priority order that applications will be processed. Once the random selection process is completed, you will be notified of your priority number. When an apartment (of the size and type for which you are eligible) becomes available, you will be notified in priority order. At that time, you will be required to meet with an intake coordinator and document your household income and assets. Minimum and maximum income, credit and criminal standards, previous rental history, and other requirements will also apply. **Do not send supporting documentation at this time.**

***Former Neptune Court residents who have an approved right to return and meet all applicable eligibility requirements will receive priority during the initial lease-up. If you are a former Neptune Court resident, please indicate below and provide your Right-to-Return documentation.**

GUIDELINES FOR ALL APPLICANTS

- This is an equal housing opportunity. Federal law prohibits discrimination against any person making application to buy or rent a home with regard to age, race, religion, national origin, sex, handicapped or familial status. State law prohibits discrimination on the basis of race, creed, color, national origin, ancestry, nationality, marital or domestic partnership or civil union status, familial status, sex, gender identity or expression, affectional or sexual orientation, disability, source of lawful income or source of lawful rent payment.
- Violence Against Woman Act (VAWA) protects qualified applicants and residents who are victims of domestic violence, dating violence, sexual assault or stalking from being denied housing, evicted or terminated on acts of violence against them.
- This affordable housing must be the **primary residence** of the applicant. All household members who intend to reside at the affordable apartment must be listed in the application.

- Do not send more than one (1) Application per household.
- Annual Income includes, but is not limited to, salary or wages (**gross amount before any tax or payroll deductions**), alimony, child support, social security benefits, unemployment benefits, pensions, business income, and actual or imputed earnings from assets (which include bank accounts, certificates of deposit, stocks, bonds, or other securities), and real estate. If you own a home in which you are currently residing and which you intend to sell prior to living in an affordable home, compute your income from this asset by taking the market value of your home, subtracting the mortgage principal, and multiplying the balance by the current "Passbook Savings Rate" published by HUD (currently .04%). Income from other real estate holdings is determined by the actual income you receive from the asset (less expenses, but not less your mortgage principal payment).
- Specific documentation to verify income and assets will be required during the intake process. **DO NOT SEND ANY DOCUMENTS WITH YOUR APPLICATION.**
